Tournament size 60%

The Qara 60% White is a game changer when it comes to desk space. Designed with intense gameplay in mind, it allows for energetic and aggressive mouse maneuvers without compromising on comfort. And guess what? Its compact size — just 291 mm long — makes it incredibly travel-friendly. You can easily slip it into any bag or backpack. Whether you're competing in tournaments or just enjoying a gaming session with friends, the Qara 60% White has your back. It's as simple as tossing it in your backpack and you're good to go. Convenience at its best!

A flesh-and-blood mechanic

Why settle for a run-of-the-mill membrane keyboard when you can level up with a gigachad mechanical keyboard? Say hello to the Outemu Red switches, the key to unlocking your full gaming potential. These switches react with unparalleled precision and lightning-fast speed, ensuring that none of your skills go to waste. Plus, they're built to last, offering remarkable stability and durability. So, here's the plan: set aside an evening just for yourself, sink into your gaming chair, fire up your favorite game, and let your fingers experience the undeniable advantage that the Qara 60% White mechanical keyboard brings to the table.

Height adjustment

Did you know that the height of your keyboard can impact your clicking efficiency? It's true! A relaxed hand can give you an edge over those tense opponents. That's where the Qara 60% White comes in clutch. It's equipped with two-step feet, allowing you to fine-tune the height to your liking. Build, destroy, shoot, and dominate your way — all in ultimate comfort. No need to thank us, we're just here to make your gaming experience even better. So go ahead, adjust that keyboard height, and get ready to conquer the gaming world like a pro!

Spectacular zone-RGB backlighting

If you're going to win, do it in style. The Qara 60% White looks phenomenal thanks to its zone-RGB backlighting, which can turn an ordinary and boring desk into an amazing gaming setup. The high-brightness LEDs make themselves visible during the day (and even better at night).

Refined design

The Qara 60% White is all about convenience, performance, and style. With a detachable USB Type-C to Type-A cable, it's easy to transport and manage cables. Plus, it offers N-key rollover and anti-ghosting for smooth gameplay. And if aesthetics matter to you, choose between black and white color options to match your setup. Prepare to dominate your opponents, no matter which gaming path you choose. It's time to level up your gaming experience!
